HOST: Hands On Searching Time

Carolyn Dennison, MA, MLIS, AHIP
Instruction & Research Librarian
University of Hawai‘i at Mānoa Library
cdenniso@hawaii.edu | (808) 956-2541
In-Class Group Activity

• Get a topic to search
• Create a search statement for your topic
  • Use OR, AND, and NOT
• Search CINAHL or PubMed
  • Incorporate filters or limits to retrieve relevant articles
• Present your search to the class
Possible Search Topics

- Environmental noise reduction within a healthcare facility
- Prevention and control of ventilator-associated pneumonia (VAP)
- Urinary tract infection (UTI) rates related to indwelling Foley catheters
- Pressure ulcer incidence and prevalence
- Central line infection rates
- Fall prevention
